File No. RCC1052
S. No. 51760
Date 29 SEP 1954

Subject:- Sub-Service Departmental Examination
Request for exemption of....

Respected Sir,

I the undersigned B.K.Narayankar clerk Mamlatdar's Office, Khanapur District Belgaum beg to submit a few lines for your kind and sympathetic consideration.

2. I entered in Revenue Department on 1-6-48 and worke upto 15-1-1949. I am contineously in service from 12-2-49 till to-date. As I come from Scheduled Class I was taken up on permanent basis under Collector of Belgaum's order No. EST/1000 dated 26-6-51 in order to make up the deficit of percentage of vacancies to be reserved for members of - Scheduled Class candidates as the percentage of the - Schdelued Class was too low at that time.

3. After my enlistment I appeared for the Sub-Service Departmental Examination in 1951 and 1953. But to my bad luck and due to some unforeseen and domestic and financial worries of my family I could not get through the examination. From 1950 to 1953 that is, for three years I was working as Clerk in Mamlatdar's Office Ramdurg which is a hot place. Then I was transferred to Khanapur where the climate is very cold and considered to be Malerious. With the result, I was sick in rainy season in the month of - August and September 1954, i.e. exactly at the time of the preparation of the said examination. But in spite of my sickness I risked my third chance which being the last and appeared for the same with an idea that I will be thrown out of service if I did not get sucess, in the examination according to the standing Government orders. But in vain.

4. The Collector of Belgaum was pleased to grant me a special chance after obtaining Government sanction in view of my service and Backward Community. At that time I was suffering from 'Dispepsia' exactly in the month of Augu

and September 1955. Consequently I could not prepare myself well for the examination. As it was mentioned in the order that I should appear for the said examination in the year 1955, I thought that this special chance given to me was conditional one. I appeared for the examination in sickness. The original certificates granted by the Government Medical Officer, Khanapur to the effect that I was actually sick during the period from July to September 1954 and 1955 are in the Collector's office. I was on leave from 1-8-54 to 15-10-54 and from 1-8-55 to 1-11-55 on medical grounds. Thus it is clear that my failure was only due to the sickness at the time of the said examination.

5. I therefore moved to Government to consider my case and to grant me one more additional chance to appear for the said examination or to grant exemption. The Collector of Belgaum was kind enough to recommend my case. But to my bad luck my request has been refused by Government under their memorandum R.D.No.EXM-1454/137024-D dated 6-2-56. Accordingly I have been discharged by the Collector. I have however, been continued in the Temporary vacancy on the minimum time scale since 1-4-56 to-date, as there are no suitable candidates available.

6. I further desire to bring to your kind notice that I come from a poor (Harijan) Scheduled Class family. I have completed seven years and 7 months contineous service in this Department with the entire satisfaction of my superiors. I have not received any adverse remarks and I have been proved to be the most honest, sincere and hardworking. My present age is 34 years and hence I have no hopes of getting Government service. My family consists of 7 members and we have no landed property or any other source of income to maintained my family. My parents are very old. I have passed third Hindi Examination (i.e equivalent to lower) of Maharashtra Rashtra Bhasha Sabha, Poona in February 1955.

If I am thrown out of service at this age, my

My family consisting of 7 members will be ruined permanently as I have got no other source of income or landed property to maintain my family. As Government is giving high priority to ameliorate the economic and social conditions of the Backward Classes for the Welfare of the Backward Class Community I request your honour that this policy may also be applied to my case by treating it as a special one in view of my service present age and Backward Community and I may not be discharged from service as the percentage of Backward Class members in this particular cadre (i.e.Class III) in this Department in this District is too short of the prescribed percentage of reservation.It is also the accepted policy of Government to adopt all possible measures for the uplift of the Backward Classes and in persuance of that policy Govt. has reserved certain percentage of vacancies occuring in the various services under it in favour of them.Vide R.D.P.&.B.D. No.490/46 dated 24-1-53 and 2-4-53.

8. Formerly the Collectors were empowered to exempt the clerks on their merits under Government Resolution No.389/49 dated 3-8-50.But since these powers have been withdrawn by Government under their R.D.Resolution No.1453/14799 dated 20-8-54, your honour may therefore, consider my case on merits and my community and advanced age and in the light of the recommendations made by the Collector of Belgaum in this respect.

9. I, therefore, pray that your honour would consider my case sympathetically on merits and in view of the facts mentioned above and I may either be granted one more special chance or exemption.As discharge order has already been passed by the Collector I request your honour to issue a stay in this respect.

Yours Faithfully,

(B.K.Narayankar)
